

Toledo Local Section (since 1917)

Hope to see you at our OPEN BOOK Event:

THE LIBRARY LEGACY FOUNDATION & American Chemical Society  
*present*  
**OPEN BOOK**  
*Where authors tell their story*  
**Sarah Everts**  
Monday, October 19, 2015 • 6:30 p.m.  
McMaster Center, Main Library, 325 Michigan St.

Sarah Everts is a journalist with a specialty in the history of science. She serves as the European correspondent for a weekly news magazine about molecules called *Chemical & Engineering News*, where she also writes a blog called *Artful Science* about the research that happens on art and artifacts in museums and galleries around the world.

- Book discussion

### Toledo Local Section (since 1917)

We are pleased to welcome ACS 2015 President 2015 Diane Grob Schmidt as our Special Guest and Keynote Speaker at our general section meeting and *Awards Evening* on Monday, November 2, 6-9:30 pm at Ward Pavilion at Wildwood Preserve Metropark.

You are invited to join us as we recognize and celebrate our volunteers, our 50 and 60+ ACS members, our Toledo section award winners and their accomplishments.

We will be showing off our 2015 ChemLuminary Award, which we received at the 250th National ACS Meeting in Boston

Wine, beer, soda, and array of delicious finger foods will be served in a relaxed jovial atmosphere, ideal for networking. Photo IDs will be required for alcohol consumption.

Diane G. Schmidt, ACS 2015 President, is an Adjunct Professor at the University of Cincinnati in Cincinnati, Ohio. She received an M.S. from the University of Tennessee, and a B.A. in chemistry from the University of Tennessee-Chattanooga. She received her Ph.D. at the University of Cincinnati in Organic Chemistry. Immediately after finishing her Ph.D., she joined the Procter & Gamble Company (P&G), where she served as Section Head with responsibility for safety and regulatory affairs before retiring in 2014.
